Costa Dulce is seeking passionate and dedicated Lead Trainers or training teams to co-create transformative 200HR Yoga Teacher Trainings in paradise. Our program has hosted five successful sessions to date, averaging 8 students per training, and continues to grow through our strong investment in website SEO, social media, and guest outreach.

We're offering an exciting opportunity for experienced trainers to not only lead our YTT but become integrated members of our vibrant eco-community. Whether you're looking to step into a leadership role or co-lead with a trusted assistant, this is your chance to grow with us.

Why Costa Dulce?

Nestled in the jungle along Nicaragua's Pacific Coast, Costa Dulce is a thriving eco-retreat and yoga sanctuary. We provide a sacred space for healing, learning, and connection—where the sound of the ocean meets the soul of yoga.

With every training, we aim to deliver more than just certification—we foster community, purpose, and lifelong impact.
